

REMARKS

The specification has been amended to insert deposit information for the specifically identified hybridoma cells. The amendment was made to comply with the requirements for biological deposits and, therefore addresses a formality. Submitted herewith is an executed statement under 37 C.F.R. §1.804(b) that the deposited biological material is a biological material specifically identified in the application as filed. Accordingly, no new matter has been added and entry thereof is respectfully requested.

Please charge any fees associated with the submission of this paper to Deposit Account Number 033975. The Commissioner for Patents is also authorized to credit any over payments to the above-referenced Deposit Account.

Respectfully submitted,
